

James A. Rooks Memorial Grant

James A. Rooks

In recognition of Jim's life-long contributions to the IEEE, The Pulp & Paper Industry Committee of the IEEE Industry Applications Society has established the James A. Rooks Memorial Grant. Every year our committee celebrates Jim's relentless compassion to bring young engineers into the industry by sponsoring activities for students such as travel grants to PPIC, scholarships and webinars. As Jim personified excellence in engineering, so too will the next generation of engineers be better prepared to meet industry challenges through exposure to technical papers and tutorials at the conference, and interaction with leading practicing engineers. Proceeds to fund this initiative come from the James A. Rooks Memorial Fund established by the IEEE Foundation. You and/or your company can contribute to this fund by sending donations to; IEEE Foundation in memory of James A. Rooks, IEEE Development Office, 445 Hoes Lane, Piscataway, NJ 08854 or online at <https://www.ieeefoundation.org/donate>. The IEEE Foundation is a 501(c)(3) not for profit and may qualify for company matching gift programs.
