

## **Pulp, Paper, and Forest Industries Technical Conference Young Engineering Professionals Program**

March 30, 2020

One of the challenges the Pulp, Paper, and Forest Industry faces going forward is attracting and retaining new, young electrical engineering professionals to the industry. Recognizing this need, the IEEE Pulp and Paper Industry Committee (PPIC) has arranged with the IEEE Industrial Applications Society (IAS) to provide a limited number of partial financial sponsorships for young engineers to attend to their upcoming 66<sup>th</sup> Annual Conference in Niagara Falls, ON Canada.

This provides a low cost way for young engineering professionals to experience this forum for the exchange of electrical applications technology relating to forest products based industries. This is a great way to meet other industry engineers, learn solutions to real mill needs, and network with senior professionals from the industry.

### **What is included?**

- ✓ 50% off Conference Registration
- ✓ One Tutorial
- ✓ Conference Reception
- ✓ Vendor Exhibition
- ✓ Meals at the Conference
- ✓ Free First year of IEEE and IAS Membership

### **What are the requirements?**

- Full time employee of a Forest Products Industry end-user (Pulp, Paper, Board, Tissue, Lumber, etc.) or consulting engineer working in support of clients in the industry.
- Less than 5 years of experience in the Industry.
- Never have attended a IEEE Pulp, Paper, and Forest Industries Technical Conference previously
- 30 years of age or younger
- The young engineer must attend one PPIC sub-committee meeting and the general committee meeting on Tuesday
- You are responsible for your travel, hotel costs, and 50% of the conference registration.
- Conference Registration and IEEE Membership will be refunded after you attend the 2020 IEEE Pulp, Paper, and Forest Industries Technical Conference in Niagara Falls, ON. If you are unable to attend after registering, normal cancellation policy will be in effect.

### **A few highlights from the Conference:**

- We begin with the Welcome Reception on Sunday Night, June 21st, 2020.
- A selection of great technical papers and some very interesting tutorials will be presented during the Conference.
- Vendor booths will be available to visit throughout the conference.

- The Conference Awards Dinner & Closing Event is a fun event to finish the Conference.
- The PPFIC Subcommittee meetings are on Tuesday, June 23rd from 12:00pm until 5pm. The subcommittees are where the papers, tutorials, and other topics are generated for upcoming conferences.

We have four subcommittees consisting of:

- DCS – Drives and Control Systems
- PCEMC – Process Control, Engineering, Maintenance and Construction
- PDS – Power Distribution Systems
- S&T – Safety and Training

Visit [www.pulppaper.org](http://www.pulppaper.org) for more information.

Name	
Title (Electrical Engineer, Reliability Engineer, etc.)	
IEEE Member number, if already a member	
Active email address	
Phone number	
Company	
Company Location (Mailing Address)	
College	
Degree and Graduation Date	
Subcommittee Preference	

If you are not currently a member of IEEE and the IAS, you will be required to sign up for IEEE before attending the conference and will be reimbursed after the conference. IAS application will be completed at the conference.

The final selection of the successful applicants will be based on the qualifications listed above, the order that the applications were received, and how many applicants there are from different companies. Successful applicants will be notified as quickly as possible.

Please return this application by **MAY 8, 2020** via e-mail to:
